Evolving Media
Literacy for the
21st Century

National Media Education Conference St. Louis, June 23-26, 2007

Saturday, June 23

8:00 – 10:00 pm (following Welcome & Opening Reception)

Screenings

New Media Platforms to Tell Stories (and to hear them): A Documentary

Screening - Accompanying Panel

The documentary Digital City Remix examines how new communications technologies can activate the public sphere. The documentary examines the new media heritage of St. Louis, and surveys new media installations/ constructions which attempt to insert information networks into the street.
