

## **LookTalkListen by Zlatko Cosic**

Abraham Lincoln declared democracy is a government "of the people, by the people, and for the people."

Are we?

LookTalkListen intertwines issues of perception, understanding and community action in our current democracy; such as surveillance, privacy, fear, media, politics, government actions, perceived freedom, injustice, political inactivity and community unawareness.

What we see, say and hear varies from culture to culture, generation to generation and person to person. Do we actively look, talk and listen? Who looks, talks and listens for us? Do we say what we wish? Can we see the truth? Do we hear?

What should we believe? Our eyes? Our words? Our ears?

Exercise your freedom. LookTalkListen.
